COMINGS & GOINGS

Australian-based iron ore exploration and development company Australasian Resources Ltd (ASX: ARH) has appointed **Dio Wang** as chief executive officer.

Wang is a civil engineer with a postgraduate diploma in planning and design and a master of engineering structures. Wang has been employed with Australasian since 2006 and during this time he has been involved in the completion of the Balmoral South iron ore deposit.

Neil Graham has been appointed as general manager operations at Arafura Resources Ltd (ASX: ARU).

Neil is a chemical engineer with extensive global experience in senior operational roles in the chemical industry. Graham joins the Arafura team from Orica Ltd where he has been the site manager with responsibility for their operations in Gladstone, Queensland.

At Arafura he will be responsible for all operational matters including building a contemporary business operational platform as Arafura moves towards full operation in 2013.

Foundation managing director of gold miner A1 Minerals Ltd (ASX: AAM), **John Williams** has resigned.

Chief financial officer **Albert Longo** has been appointed finance director and two new non-executive directors are **Richard Stroud** and **Bill Hobba**. Stroud is a senior partner in the West Perth-based mining consultancy Optiro Pty Ltd.

Jeff Sells has resigned as Citadel Resources Group Ltd's chief financial officer.

Ben Stockdale has been appointed as acting chief financial officer. Stockdale has significant experience in mining finance and marketing roles, previously working with OZ Minerals Ltd, Oxiana Ltd and MPI Mines Ltd.

Crescent Gold Ltd (ASX: CRE) has appointed **Geoff Stanley** as non-executive chairman. Stanley replaces **Roland Hill** who had previously held both the chairman and managing director roles.

Hill will continue to serve as managing director.

Stanley's career in the mining industry includes spending 15 years based in New York in mining finance, analytical and mining advisory capacities. He has been a director of Crescent since December 2006.

At Medusa Mining Ltd (ASX: MML) **Peter Hepburn-Brown** has been appointed executive director-operations.

Hepburn-Brown, who was previously a non-executive director at the company, is a mining engineer with 28 years of experience. He has held senior management positions such as executive director operations for Harmony Gold Australia, and general manager operations for Great Central Mines.

In his newly appointed role, Hepburn-Brown will manage all operational and technical aspects of the company's

operations in the Philippines.

Peter Woodman has been appointed managing director at WCP Resources Ltd (ASX: WCP).

Woodman is a geologist with over 20 years experience in exploration, development and mining operations. He is a graduate of the Australian National University and is a corporate member of the Australian Institute of Mining and Metallurgy.

Most recently Woodman served as managing director of an Australian resources company focused on gold and copper exploration. His immediate focus will be on identification and acquisition of an advanced resource project.

Ord River Resources Ltd (ASX: ORD), has appointed **Robert Meade** as exploration manager.

Meade has 24 years experience, including working at senior levels within the mining and minerals industry in Australia and Asia. He also has significant experience in the field of proterozoic gold and copper exploration in the Northern Territory, Western Australia and Queensland.

Sandfire Resources NL (ASX: SFR) has appointed **Robert Scott** as an independent non-executive director.

Scott is a corporate advisor and an experienced company director and was previously an international partner of Arthur Andersen and a partner of KMG Hungerfords.

back

Aurora Minerals Ltd (ASX: ARM) announced that **Robert Taylor** has relinquished his position as managing director. He will continue as an executive director of the company.

Martin Pyle has been appointed as the company's new managing director, after serving on the board since May.

Pyle's geological career includes mine geology, exploration, resource and reserve estimation and feasibility study analysis.

Scandinavian Resources Ltd (ASX: SCR) appointed **Amanda Arrowsmith** as exploration manager.

Arrowsmith was previously exploration manager of Hannans Reward Ltd, and is credited with the discovery of high grade iron mineralisation at the Jigalong project.

3D Resources Ltd (ASX: DDD) has appointed **Ian Hastings** as a non-executive director.

Hastings is a corporate advisor with extensive experience in the fields of finance, investment banking, securities markets compliance and regulation.

He is also the chairman of Accent

Resources NL and is a non-executive director of Top End Uranium Ltd.

Apollo Minerals Ltd (ASX: AON) has appointed **David Nolan** as a non executive director.

Nolan is a corporate lawyer and heads the Sydney corporate advisory practice of law firm Mills Oakley Lawyers.

Ronnie Beevor has been appointed to the board of Rey Resources Ltd as a non-executive director.

Beevor is an investment banker and is a senior advisor to Gryphon Partners. He has also had an extensive involvement in the natural resources industry, both in Australia and internationally.

Aussie Q Resources Ltd has appointed **Charles Carnie** as chief executive officer. Carnie has over 17 years experience in positions within the mining and resources sector, ranging from grass roots exploration to operating mine production.

Most recently he was managing director of Red Gum Resources Ltd.
